REPORT OF SCHOOL BOARD.

To the Citizens of Newton:

We hereby submit the annual report of our schools for the year ending February 15, 1913.

We have had all three school houses painted.

At the present time we have an up-to-date corps of teachers who take great interest in their work and feel anxious to have their pupils advance in their studies. The teachers would be glad to have the parents visit the schools and see what progress their children are making.

The Grammar school during the spring term was under the instruction of Miss Josie B. Caler. We were sorry to accept her resignation. Her work has been very satisfactory while a teacher in town. As the work of Miss Faye A. Dame in the Village primary was so thorough, we placed her in charge of the Grammar school in September. Miss Dame is an excellent teacher and her work in the Grammar school has been very successful.

In September Miss Marion Davis was engaged to take charge of the Village primary school. She is a graduate of a Training School. She has been successful and her pupils are very fond of her.

Rowe's Corner school was in charge of Miss Margaret Abbott during the spring term. She resigned in June. In September Miss Ruth M. Tuttle was engaged to take her place. She is a graduate of Robinson Seminary. Although she has been here but a short time, the discipline has greatly improved. The school was in a bad condition when she took it and she has worked hard to bring it up to the standard.

The Junction school is in charge of Miss Alma B. Nichols. She has kept up the standard of this school and is very much loved by her pupils.

The items below are to serve as a notice to the Selectmen that they may assess the same.

High School Tuition.....	\$280 00
Text books and supplies	150 00

Respectfully submitted,

CHARLES A. KIMBALL,
